Dear Parents,

It's certainly been a busy week at St Charles! This week we were inspected by Ofsted and the report will be issued in due course. Thank you to all parents who completed Ofsted's Parent Survey. The children have had a super week consisting of wheelchair sports, badminton, baking and learning about the Tudors. It was wonderful to welcome our EYFS parents into class for a stay and play session – we hope you enjoyed seeing what your children are learning in Class 1. Today, we have finished the week with our 100 points reward treats – the children have thoroughly enjoyed bringing their toys in, wearing own clothes or even their pyjamas!

Arbor – our new communication system.

We have been instructed by our Trust to move to Arbor for parent text message communication instead of Teachers to Parents. Parents need to download the Arbor app and create an account linked to our school. Thank you to all the parents that have already done this – if you haven't, please could I ask that you do this at your earliest convenience. We don't want anyone missing any important messages. If anyone has any problems, please come into the school office for guidance. You are unable to reply via this system so please continue to contact the school office either by email or telephone.

Extra PE sessions

Over the next few weeks, we are able to offer each class an extra PE session. Please see the dates below as it will be an additional day that your child/ren need to come into school in PE school uniform.
