- I will ask permission before touching you or your clothing.
- I will check that you are as comfortable as possible, both physically and emotionally.
- If I am working with a colleague to help you, I will ensure that we talk in a way that does not embarrass you.
- I will look and listen carefully if there is something you would like to change about your Toilet Management Plan.

Pupil

As the pupil who requires help in the toilet you can expect me to do the following:

- I will try, whenever possible, to let you know a few minutes in advance that I am going to need the toilet, so that you can make yourself available and be prepared to help me.
- I will try to use the toilet at break time, or at the agreed times.
- I will only use the agreed emergency signal for real emergencies.
- I will tell you if I want you to stay in the room or stay with me in the toilet.
- I will tell you straight away if you are doing anything that makes me feel uncomfortable or embarrassed.
- I may talk to other trusted people about how you help me. They too will let you know what I would like to change.
