

	Year Group	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Repeated each year	Class 1	The Human Body (Year 1 objectives)	Animals and their needs (Year 1 objectives)	Seasons and Weather (Year 1 objectives)	Taking care of the Earth (Year 1 objectives)	Plants (Year 1 objectives)	Materials and Magnets (Year 1 objectives)
	Class 2	The Human Body (Year 2 objectives)	Living things and their environments (Year 2 objectives)	Electricity (Year 2 objectives)	Plants (Year 2 objectives)	Materials and Matter (Year 2 objectives)	Astronomy (Year 2 objectives)
2023-2024	Class 3	The Human Body (Year 4 objectives)	Classification of Plants and Animals (Year 4 objectives)	Ecology (year 4 objectives)	Sound (year 4 objectives)	States of Matter/Water Cycle (Year 4 objectives)	Electricity (Year 4 objectives) Assessment
	Class 4	The Human Body (Year 4 objectives)	Classification of Plants and Animals (Year 4 objectives)	Ecology (year 4 objectives)	Sound (year 4 objectives)	States of Matter/Water Cycle (Year 4 objectives)	Electricity (Year 4 objectives) Assessment
2024 - 2025	Class 3	The Human Body (Year 3 objectives)	Cycles of Nature (Year 3 objectives)	Light (Year 3 objectives)	Plants (Year 3 objectives)	Rocks (Year 3 objectives)	Forces and Magnets (Year 3 objectives) Assessment
	Class 4	The Human Body (Year 5 objectives)	Materials (Year 5 objectives)	Living Things (Year 5 objectives)	Forces (Year 5 objectives)	Astronomy (Year 5 objectives)	Meteorology (Year 5 objectives) Assessment
Repeated every year	Class 5	The Human Body (Year 6 objectives)	Classification of Living Things (Year 6 objectives)	Electricity (Year 6 objectives)	Light (Year 6 objectives)	Reproduction-Sex Ed (Year 6 objectives)	Evolution (Year 6 objectives) Assessment
