Friday 26th January 2024

Dear Parents,

Lots of reading has been taking place at St Charles recently, this week Harry, our reading dog, came in to listen to children read; our Read Write Inc consultant came to see all the excellent teaching and learning taking place in our phonics lessons and Key Stage 2 are all getting further engrossed in their book-based literacy books. The best way to help your child with reading is listening to them read daily or reading to them.

Cross Country

Last Saturday, a group of children represented the school at cross country – all the children that ran did brilliantly with a few children achieving top 5 results. The next race is Saturday 3rd February at Measham C of E School – please come along and support this event if you can.

Attendance – ‘moments matter, attendance

It can sometimes be tricky deciding if your child is attend school or not so included with this week’s copy of the NHS ‘Is my child too ill for school’ follow this link for further information. [Is my child too NHS \(www.nhs.uk\)](https://www.nhs.uk)

counts.’

well enough to newsletter is a guidance or [ill for school? -](#)

Reminder: Leave of Absence Request Form

Polite reminder, we have introduced a Leave of Absence Request Form for holidays being taken during term time. Copies can also be found on the school website and in the school office.
