Dear Parents,

Welcome to the family!

Over the last month we have been lucky to welcome several new families to St Charles – a big official welcome to the St Charles family. We hope you thoroughly enjoy your time at St Charles.

St Charles Heart

It has been so wonderful to see several children already be awarded a St Charles Heart – as you can see our 'Wall of Love' display board is filling up nicely with photographs celebrating the children's success of achieving a heart award. Children have been awarded for their kindness, compassion, welcoming newcomers to our school and following in Jesus' footsteps with their actions in school.
