The chosen Ten Ten Programme (Pathway #2) delivers the programme of RSE on a 2-year cycle with mixed age classes in school. This means that the learning stages (EYFS, KS1, LKS2 and UKS2) are spread over 2 years and there is some repetition of content year-on-year, with many topics only covered once every 2 years.

In this Pathway:

- Pre-school, Year 1, 3 and 5 undertake 'Module 2: Created to Love Others'
- Reception, Year 2, 4, and 6 undertake 'Module 1: Created and Loved by God'
- All years to undertake sessions from 'Module 3: Created to Live in Community'.

The Gospel story sessions in Module One and the Trinity story sessions in Module Three are run every year as they are foundational to the Religious Understanding taught in the programme.

In addition, certain, more sensitive, aspects of the RSE curriculum are taught each year within individual Year Group classes within a whole-school 'Well-being Week'. (Based on Pathway #3 one year cycle). Repeating some units allows learning to be embedded. As children change and grow, their level of engagement will increase as the unit is repeated and this allows for the developmental learning required as the children grow.
